General ADM Procedures For All Violation Types:

The following sections provide details of the ADM procedures carried out by Biman Bangladesh Airlines.

Time Limit To Issue ADMs:

For IATA and ARC agencies, the time limits governed by these organizations will be applied. Biman Bangladesh will issue ADMs within 9 months after the last date of travel for sales transactions / the refund date for refunded tickets. For non-IATA agencies ADMs will be issued within 1 year after the last date of travel/refund date.

Time limits in ADM issuance do not infringe upon BG's right to issue/collect ADMs without being subject to any time limits in the case of fraud and fraudulent transactions unless there are other restrictions (legal, administrative, commercial) as those time limits have been set to accomplish the audit

ADM Disputes:

ADMs will be communicated via BSP Link for BSP agencies and Memo Manager for ARC agencies and via e-mail for non-IATA agencies.

Any disputes should be raised with Biman Bangladesh Airlines within 14 days once the ADM is communicated to the Travel Agent. If this time limit is not met, ADMs will be finalized for settlement with the effective due date/report period mentioned in the ADM.
