

## Travel Advisory for Bangkok

The new rules for immigration have been announced by Royal Thai disease control department effective from 01May22 and onward. In the new rules, the authority segregated the passengers into two groups.

### **vaccinated travelers Requirements:**

- No RT-PCR test is required at pre departure and upon arrival.
- Test and Go and other programs are being cancelled.
- Insurance with USD10,000 is required.
- Vaccination certificate.
- Thai pass is required.

### **Unvaccinated/ not fully vaccinated travelers Requirements:**

- *Unvaccinated travelers have the option to entry Thailand of either,*
  1. Providing a negative RT-PCR result within 72 hours prior to departure to be exempt from quarantine. **OR**
  2. Quarantine for 5 days in an alternative quarantine (AQ) hotel and take a RT-PCR test on day 4-5.
- Unvaccinated travelers who choose the first option are required to upload their RT-PCR result in the THAILAND pass system before departure.
- Proof of insurance of at least with USD10,000 is required
- Thai pass is required.
