

Subject: Notice on the adjustment of pre-departure testing for Flight BIMAN-BG366 on October 13

As notified by Chinese Embassy in Dhaka, on October 13, the pre-departure testing and green code application for passengers on BIMAN-BG366 flight to China will be adjusted as follows:

1. Testing time

A. The first PCR test time remains unchanged, within 48 hours before boarding;

B. The time for the second PCR test will be adjusted to 19:00-23:00 on October 12;

2. Health code application

A. Passengers can apply for a health code after obtaining the first negative PCR test report.

B. If the second PCR test result of the passenger is positive, the health code will be cancelled by Embassy immediately.
