

## **Travel Advisory for Toronto bound passengers from Bangladesh**

To board a flight to Canada, all travelers must:

- ✓ Be symptom-free of COVID-19.
- ✓ Have received a full series of a vaccine or a combination of vaccines accepted by the Government of Canada at least 14 days prior to entering Canada.
- ✓ Possess a valid Negative COVID-19 molecular test result (for those who are 5 years of age or older). Test must be taken within **72 hours** prior to departure.
- ✓ Always wear a mask throughout their entire travel journey.
- ✓ Digitally submit, within **72 hours** before their flight (unless exempt), their travel information, travel history, contact information, suitable quarantine plan, and proof of vaccination (if applicable) using **ArriveCAN**. Link: <http://www.canada.ca/ArriveCAN>

**Note:** *Travelers can download the **ArriveCAN** app for free on Google Play and Apple App store or provide their information by signing in online. Please ensure you have the most recent version of the app downloaded.*

- ✓ Fully vaccinated travelers arriving to Canada from any country will be subject to mandatory random on-arrival testing.  
Travelers are encouraged to pre-register for on-arrival testing where possible using the following links based on their arrival location in Canada: [COVID-19 Flying: Register with your arrival test provider – Travel.gc.ca](#)  
Vaccinated travelers who are not selected for random on-arrival testing can cancel their registration.
- ✓ All travelers should also be prepared to be tested for COVID-19 on-arrival and be prepared to quarantine. For further details, please consult [COVID-19: Travel, testing and borders - Travel.gc.ca](#)
